PRESENTED BY Shannon Lewis, SWIB Program Manager

INFORMATION The State of Montana's State Workforce Innovation Board committed to work on the implementation of workforce-related recommendations derived from the Main Street Montana project. The Recruitment and Retention Committee is responsible for implementing all recommendations related to that topic. The board will need to review the Main Street Montana recommendations specific to this committee, and organize itself to ensure that the committee is able to meet the Governor's expectations related to implementation.

MOTION Motion to approve the Main Street Montana-Recruitment and Retention recommendations.

SYNOPSIS The Recruitment and Retention Committee will need to review the Main Street Montana KIN recommendations and organize itself to ensure that each recommendation continues to move forward. As this is the first meeting of the Recruitment and Retention Committee, it's a good time for the committee to discuss a work plan and discuss its regular meeting schedule for 2017.
